Fall 2017 Neighborhood Statistics: August 21 - December 21
Provided by Georgetown University Division of Student Affairs

The Office of Neighborhood Life was involved in 292 total contacts in the Fall 2017 semester. There is an appropriate follow-up for each contact, described in this diagram.

Number of contacts = 292

How Notified

Less 80 contacts with non-GU or unknown individuals. 27% of all contacts do not involve Georgetown students.

Less 107 contacts related to: proactive stops by SNAP, no noise found at a property, GERMS, students and neighbors asking for other types of assistance, etc.

Less 19 duplicate contacts that were combined and noted in a single incident report (i.e. 3 phone calls about 1 incident).

Less the 27 incidents referred to the Office of Residential Living*, GU Medical/Law School, or the Office of Student Conduct that were not noise from a property (i.e., public urination, kicking over trash cans, etc.).

Less the 10 incidents that were referred to the Office of Student Conduct for noise at a property and no GU students were found responsible after adjudication and 4 incidents that will be adjudicated in Spring 2018.

45 incidents were referred to the Office of Student Conduct for noise at a property and at least one GU Student held responsible. See table below for more information related to Student Conduct.
